

Projeto Erasmus - Consórcio Município

Projeto N° 2020-1-PT01-KA120-SCH-000094990

1. Theme – “Unity in Diversity”: Democratic values as the cement that unites and structures European cultural diversity”.

A comprehensive and engaging cultural project that involves multiple European schools, a museum, the library and a theatre, fostering cross-cultural understanding and collaboration.

Topics:

- Historical heritage: material and imaterial
- Human rights and democratic values as a cultural common basis for European

2. Project Objectives:

- Promoting cultural awareness;
- Fostering collaboration;
- Valuing diversity;
- Enhancing creativity;
- Promoting European common values (peace, democracy, solidarity...)

3. Participating Schools:

Morgado de Mateus; Camilo C. Branco; Diogo Cão; S. Pedro; Museu; Teatro; Escolas parceiras europeias)

Portuguese schools will be responsible for the organization of the activities to be done in Portugal; and to organize the pupils' Exchange in Vila Real.

Partner schools will be responsible for the activities to be developed in their country and will organize the pupils' Exchange in their place (finding hosting families).

Projeto N° 2020-1-PT01-KA120-SCH-000094990

Museums, library and theatre will be asked to get involved in some activities, according to the project request.

4. Activities

- Outdoor learning (lessons in different sites (museum, library...))
- Visits to the Museum and historical sites;
- Organizing cultural events at the Municipal Theatre;
- Creating short plays related to the chosen cultural theme;
- Role Play and historical interviews.
- Telling and reading historical legends at the library;
- Short-term exchanges;
- Joint cultural events, as exhibition of students work na the same theme;
- Reading session at the Municipal Library;
- Students' work exhibition at the museum;
- Joint celebration at one of the participating schools.
- Recreation of historical events by students from different schools.

5. Develop educational materials that can be shared among participating schools: lesson plans (lesson at the museum; learning at the theatre...); digital tools: gamification; escape room...

6. Set up a project on eTwinning platform for schools to share students' work, ideas, and resources. Also and monitoring progress and to assess.

7. Final products / Results

- Project website, social media group, and collaborative online platform (eTwinning).
- Vídeo documentary;
- Photo exhibition
- Final show / collective show with music, drama, dance...

8. Evaluation:

After the project concludes, we'll gather feedback from participants (Google forms; interviews), in order to evaluate the success of the project and identify areas for improvement.

Swot analysis

9. Project Sustainability

Suggestion to partner schools: Encourage ongoing connections between schools, the museum, the library and the theatre. This could involve continued collaboration on other projects or maintaining relationships for future cultural initiatives.
